

## VE4003S5B1 DeltaV CJC Termination Block Emerson Module Brand New

Our Product Introduction

### Basic Information

- Place of Origin: USA
- Brand Name: EMERSON
- Certification: CO
- Model Number: VE4003S5B1
- Minimum Order Quantity: 1pc
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

### Product Specification

- PART NO.: VE4003S5B1
- Weight: 0.25 KG
- Actual Price: Query
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal
- Highlight: **VE4003S5B1 Emerson Module, CJC Termination Block Emerson Module**

## Product Description

### Product Description

Emerson VE4003S5B1 DeltaV CJC Termination Block Module

### Technical Application

The Traditional I/O subsystem was designed with your investment in mind. All components are fully modular and may be installable under power. You add I/O interface carriers and I/O interfaces in groups of 4, 8, 16, or 32 channels as you need them. The modular design enables you to purchase the exact amount of I/O cards, 8-wide or 4-wide carriers, power/ controllers, and 2-wide carriers you need and add more DeltaV I/O as your system grows. All Traditional I/O components plug into the I/O interface carrier.

DeltaV Control modules reference simplex and redundant I/O channels identically and there is no special configuration required to take advantage of redundancy. Switchover of a redundant I/O card is completed within two scans of the I/O bus. Make-before-break contacts ensure digital field instruments remain powered and the process is undisturbed. Analog output signals are briefly driven by both cards for < 5 ms during switchover of the card. Hardware Alerts automatically report hardware integrity errors for both the primary and secondary cards. Any event that causes a switchover is also reported automatically through the system hardware alerts and is logged in the Event Chronicle.

### Advantage Products

#### Programmable Logic Controller PLC

#### Company Information

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality on everything we carry.

We offer a minimum one-year warranty on all products.satisfied for customers are to our purpose.we have been committed to providing quality parts and equipment at the right price and right time to every clients.Many parts are stocked and available with very short lead times to ensure yourparts are available when you need them.

ADD: Building 2, Fanhai International SOHO , Huaihai Road, Jiangnan District, Wuhan,China.

### For Your Information

- 1) Our company is a supplier of automation industrial products headquartered in China.
- 2) We have more than **20,000 PLC** modules and **DCS** modules in stock.
- 3) We are committed to helping customers reduce costs and enrich procurement channels.
- 4) We are committed to providing customers with higher quality products and services

**1 Year Warranty**
